Why are you interested in joining the Catalist Board? What excites you about our future?

How did you first learn about Catalist? How have you participated in Catalist activities (webinars, conferences, etc.)?

Please list your work, board experience and/or current and future volunteer commitments, particularly any national board experience.

What skills, work experiences, and/or interests would you bring to the board?
(If you have a current resume, please attach a copy.)

Please tell us about your leadership experience in your collective giving organization and in other nonprofits.

Please share your goals with us. What do you hope to gain through serving on Catalist's Board?

I have read and will comply with the "Catalist Board Nominating Criteria and Expectations".
